## MERCEDES-BENZ CWA 400 ELECTRICAL WATER PUMP

### DURING REPLACEMENT: SEPARATE INLET CONNECTION PIECES REQUIRED

With the vehicles listed below, an electrical water pump with OEM reference number A 274 200 01 07 was installed at the start of serial production. These water pumps were replaced by the water pump with the reference number A 274 200 02 07 during series production (from 09/2015), including a modified inlet connection piece on the intake side.

#### PLEASE NOTE WHEN ORDERING:

If the original installed water pump A 274 200 01 07 is replaced with the new version A 274 200 02 07 (corresponds to 7.05171.65.0), the inlet connection piece<sup>1)</sup> A 274 200 02 56 available separately must also be used.

<sup>1)</sup> This inlet connection piece is currently not yet available at Motorservice.
