WOLF OFFICIALTECH 0W30 SP

This is a full synthetic lubricant based on carefully selected very high quality base oils. This oil is specifically formulated to meet both the BMW Longlife-12 FE and the Ford WSS M2C950-A specification. It is adapted to meet the requirements of the latest technology, highly engineered turbo engines requiring high performance and lower viscosity oils.

APPLICATIONS

This product is mandatory in the newest BMW and Ford gasoline and diesel engines. It provides a multi vehicle application through the ACEA C2 specification. Optimum formulation for today's cars with exceptional film strength preventing oil film breakdown and reducing friction providing fuel economy and reliability.

FEATURES

Total engine protection: performance in keeping the engine clean. Fuel economy: superior fuel economy and CO2 reduction. Cold start: excellent fluidity at low temperature.
