

Replacement of 2206501 with 2206503

Textar will harmonise the part numbers 2206501 and 2206503 and will only keep 2206503.

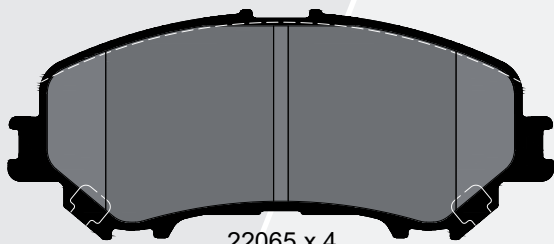

This harmonisation goes along with a replacement that was also implemented in the OES.

Given the identical outer dimensions of the brake pads we can ensure seamless assembly and operation.

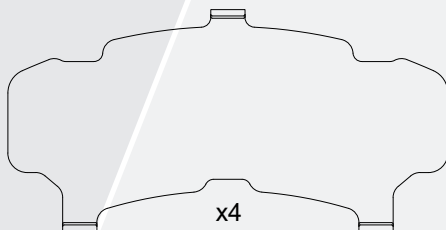

The difference between 2206503 and 2206501 is that 2206503 is slightly thinner.
