Engine oil

SAE 5W-30

9.58070

DT Spare Parts Engine Oil 9.58070 is a high-performance engine oil for commercial vehicle engines with EURO 5 and EURO 6 exhaust emission treatment. It guarantees very good protection against wear and corrosion, a low vaporisation inclination, as well as a very good viscosity-temperature performance with minimal environmental pollution.

Through the low thresholds for sulphated ash and a low sulphur and phosphor content, a foundation for the trouble-free function of downstream exhaust emission treatment systems (soot filters) is generated.

It guarantees the best engine cleanliness, a very good cold-start and warm-up behaviour (even at the lowest temperatures), excellent ageing stability with more reliable lubrication under any operational conditions, and a reduction in the lubricant-related pollutant emission.

Specifications:

- ACEA E4 / E6 / E7 / E9
- JASO DH-2 / DH-1 / DL-0
- API CK-4
- MB 228.52 / 228.51 / 228.31 / 235.28
- CAT ECF-3
- MTU Type 3.1 und 2.1
- Cummins CES 20081 / CES20086
- Renault RLD-4
- DAF Extended Drain
- Scania LDF 4
- Detroit Diesel DDC 93K218 / 93K222
- Voith Retarder Class B
- Deutz DQC IV-18 LA
- Volvo VDS-4.5
- Mack EOS- 4.5
- MAN M 3777 / M 3677 / M 3477 / M 3775 / M 3271-1
