

A large black Energizer Commercial car battery is shown from a three-quarter front view. The battery has a red plastic top with a red cap on the right side. A white label on the front features the Energizer logo in black and red, with 'Commercial' written in red below it. To the left of the logo, a red banner contains the text '500 CCA', '500 TSS CTS', '500 MINUTES', and 'RELIABLE COLD-START PERFORMANCE'. The battery is mounted on a black plastic base with several mounting tabs.
