Barre da tetto dal design inconfondibile con profilo in alluminio largo e piatto per una migliore aerodinamicità. Provviste di scanalatura per il montaggio rapido degli accessori tramite viti a "T" e gomma anti-fischio. Dotate di serratura antifurto. Disponibili in 2 lunghezze e nelle versioni black o silver.

Roof bars with a distinctive design, with wide and flat aluminium profile, for improved aerodynamics, they can be fitted with noise reduction kit. Provided with groove for quick mounting of accessories by means of "T" screws. Equipped with anti-theft lock. Available in 2 lengths in black or silver variants.
