GLASS CLEANER AEROSOL 19421481 (525ML CAN)

PRODUCT DETAILS

Expertly designed to tackle a variety of surfaces, including the windows on cars, trucks, airplanes, caravans, and boats. Plus, it's versatile enough to seamlessly transition from vehicle to home, ensuring a sparkling finish wherever you need it.

FEATURES & BENEFITS

- Specially designed to quickly and effectively remove dirt, grime, cigarette smoke, fingerprints, and other contaminants from glass surfaces
- Versatile glass cleaner created for use on automotive windows, but can also be used as a house hold window and glass cleaner
- Quality formula is foamy and non-streaking
- Safe for use on all tinted windows

FUEL SYSTEM TREATMENT PLUS - PETROL 19418629 (350ML BOTTLE)

PRODUCT DETAILS

Ensure hassle free cold weather starts with ACDelco's Fuel System Treatment Plus - Petrol. Prevents freezing moisture in fuel lines and combats gum and varnish buildup in your fuel system, guaranteeing uninterrupted fuel flow. Product also meets the GM specification GMW17131, ensuring performance and reliability.

FEATURES & BENEFITS

- Helps remove and prevent moisture and ice from collecting in the fuel system
- Helps protect fuel tank and internal engine components from corrosion
- Helps to reduce and remove contaminants in fuel tank, lines, pumps, and systems
- Suitable for use in carbureted and fuel injected petrol engines

CRANKCASE CLEANER 19435247 (325ML BOTTLE)

PRODUCT DETAILS

Build up of varnish, sludge and thickened engine oil within the crankcase and lubrication system can lead to various issues. These include sticking hydraulic lifters, restricted lubricant supply, partial seizure between piston and cylinder walls, as well as crankshaft and camshaft journals and bearings. Such complications may manifest in cranking overload, scoring, or even complete seizure of the engine. Trust ACDelco Crankcase Cleaner to keep your engine running smoothly and efficiently for many kilometers to come.

FEATURES & BENEFITS

- Quickly and safely dissolve sludge and varnish deposits throughout the lubrication system
- Allows the deposits to be removed when the engine oil is drained from the crankcase

RADIATOR FAST FLUSH 19435243 (325ML BOTTLE)

PRODUCT DETAILS

Designed to keep your cooling system running smoothly and efficiently. Effortlessly dissolves and loosens stubborn rust and scale buildup, making flushing a breeze.

FEATURES & BENEFITS

- Effectively aid in the removal of rust and scale build-up inside the radiator and engine cooling passages
- A clean cooling system will result in improved engine efficiency and heater output
- Works best when used with a cooling system flush machine
- Meets & exceeds OEM service requirements

CHEMICAL CATALOGUE

BRAKE PARTS CLEANER 19435244 (390G AEROSOL)

PRODUCT DETAILS

Advanced formulation of cleaning solvents that quickly dissolve and remove grease, oil, brake fluid, road grime and dirt from brake parts, CV joints, disc pads, drums and other components. It helps reduce brake squeal, leaves no residue, is fast drying and has a low odor.

FEATURES & BENEFITS

- Provides quick and effective cleaning and drying to free brake parts from brake dust, grime and brake fluid build-up
- Enables brakes to function properly without any mechanical hindrance
- Non-chlorinated, heptane-based product cuts through brake dust and grime and dries fast without leaving any residue

BRAKE PARTS CLEANER 19282843 (20L)

PRODUCT DETAILS

Powerful, fast-drying cleaning solution specifically crafted for brake and clutch components, guaranteeing a residue-free outcome. It works seamlessly on all metal surfaces, excelling in reaching challenging areas, and offers a safer substitute for commonly used industrial solvents.

FEATURES & BENEFITS

- Effectively removes dirt and grease without leaving any residue
- Achieves efficient penetration without requiring disassembly
- Rapid drying properties
- Does not cause corrosion to metal surfaces

FUEL INJECTOR CLEANER 19435245 (325ML BOTTLE)

PRODUCT DETAILS

Fuel and combustion deposits will form on critical engine components including fuel injectors, intake ports & valves and combustion chambers. These deposits will cause less-than-desirable engine operations, resulting in drivability problems (hesitation, stumbling and stalling), reduced power and performance, increased fuel consumption and emissions, and a possible need for higher octane fuel.

FEATURES & BENEFITS

- Concentrated fuel injector cleaner is a powerful fuel additive, formulated using technologically advanced deposit-control additive chemistry
- Rapid clean-up performance on fuel injectors
- Clean-up performance on intake manifolds, intake valves & ports and the entire fuel system (fuel lines, fuel tank)
- Improved fuel combustion resulting in increased power and performance
- Reduced fuel consumption and emissions
- Elimination of knocking and pinging caused by deposit build-up (hot spots) in the combustion chambers and prevention of engine octane requirement increase
- Professional use only - contains S7 poisons

CHEMICAL CATALOGUE

THROTTLE BODY VALVE CLEANER 19435246 (418G AEROSOL)

PRODUCT DETAILS

The build-up of under-hood dirt and grime, coupled with fuel-related gum, varnish and carbon deposits in, and on the carburetor or Throttle Body Injection (TBI) unit will cause malfunctioning resulting in erratic engine operation.

FEATURES & BENEFITS

- Heavy-duty, non-chlorinated cleaner specifically designed to attack the dirt and fuel-related gum, varnish and carbon deposits commonly found on carburetors and TBI units
- Spraying the product directly on the carburetor or TBI surfaces, linkages, throttle plates and the choke linkages will effectively remove those undesirable deposits
- For best results with Diesel engines apply with engine turned off
- For engines using Petrol and Diesel Fuels
- Oxygen sensor and catalytic converter safe

ENGINE DEGREASER/SHAMPOO 19435415 (446G AEROSOL)

PRODUCT DETAILS

Oil, grease, grime build up on engines can cause excessive engine heat, and improper component operation.

FEATURES & BENEFITS

- Heavy-duty, solvent-based product, formulated for superior grease-cutting performance
- Spray-on and hose-off treatment results in better engine heat dissipation
- Can also be used for industrial applications as well as around the home and shop to clean any metal surface, heavy machinery, steel, lawn and garden equipment, marine engines and equipment, as well as cement garage floors
- Safe on rubber parts
- Professional use only - contains S7 poisons not for retail sale
