

Important information

Before fitment, refer to the vehicle manufacturer data regarding the replacement and installation of this unit. The unit should be installed by a qualified technician following the vehicle manufactures procedures. Failure to follow the correct installation procedure may invalidate any warranty. Once fitted the unit is NON-RETURNABLE. For further information please refer to your usual technical helpline. DO NOT OPEN THE BAG UNTIL YOU HAVE CONFIRMED THAT THE PART CONTAINED WITHIN IS THE CORRECT PART NUMBER OR REPLACEMENT. UNITS RETURNED FOR CREDIT WHERE THE SEALED BAG HAS BEEN OPENED WILL NOT BE ELIGIBLE FOR FULL CREDIT AND TESTING FEES TO RETURN TO SALEABLE CONDITION WILL APPLY.
