

PRODUCT SHEET

ARTICLE NUMBER: GAT5060

DESCRIPTION: 2.0L Petrol Chain in Head Engine Tool Kit

INTRODUCTION

GAT5060 chain in head engine tool kit used for the 2.0L FSi, TSi and TFSi twin camshaft petrol engines on Audi, Seat, Skoda and Volkswagen models.

This tool kit includes the required tools for removing and replacing the chain in head on the camshaft. These types of engines have a timing belt from crankshaft to exhaust camshaft and a timing chain from the exhaust camshaft to the inlet camshaft. Use the correct timing tool kit found in the Gates catalogue for the timing belt replacement.

IMPORTANT: Always ensure when working on the crankshaft to turn the engine in the correct direction.
