

PRODUCT SHEET

ARTICLE NUMBER: GAT6068

DESCRIPTION: 'Clic-clic' Angled Hose clip Plier Swivel Head

INTRODUCTION

GAT6068 is an essential universal angled 'clic-clic' hose clip plier for use on certain hose clips found on fuel lines and small hoses in the engine compartment of modern cars and vans.

GAT6068 has a swivel angled head designed to easily access more difficult locations.

We recommend adding **GAT6065A** and **GAT6060A** to your range for a complete range of hose pliers.

Most typical applications are:

Audi, Citroën, Mercedes Benz, Peugeot, Renault, Seat, Skoda, Vauxhall/Opel, Volkswagen
