

## Warning Note

**The adapter contains a particularly strong ring magnet. If not handled carefully there is a risk of injury when storing and installing.**

**All objects that respond to magnetic fields, such as watches, data carriers, cards with magnetic strips, monitors, pacemakers and similar objects should be kept at a safe distance.**

**When installing, do not exert any firm impacts upon the magnetic since these may damage it.**

**When sending as air freight, IATA packaging regulations 902 must be adhered to.**
