

Dear sender,
We have introduced a new performance level STO 1:1 G for gearboxes and this product meets the requirements so it will be added to our internal lists meeting STO 1:1 G for gearboxes, the product will remain on the STO 2:0 A FS list for axles.

Please note that from now on STO 1:0 products will only be approved for axles.

By sending you this e-mail Scania confirm that we have acted on your request sent in on **2018-10-08**.

We can verify that formulation code **2315** marketed under trade name **WOLF OFFICIALTECH 75W90 GL 5** in SAE **75W-90** viscosity class is using an oil blend corresponding to specification **Scania STO 1:1 G for gearboxes and Scania STO 2:0 A FS for axles**. The quality of the product is not in any way approved by Scania by this mail, as we have no insight in your supply logistics nor production process. Scania is free to withdraw the confirmation at any time and will if so inform you by replying to the e-mail requesting the original confirmation.

Sincerely,
STO team
