

Important Fitment Advice

There are two different flywheels depths & clutch kits on this vehicle due to O/E changes.

The correct clutch & flywheel can be verified either through engine numbers, or measuring flywheel depths.

This clutch is suitable for
Engine No.s **0000001 -> 2494873**

O/E Fitted flywheel depth **-8.8mm.**

This clutch is not suitable for
Engine No.s **2494874 -> 3740424.**

O/E Fitted flywheel depth **-11.6mm.**

Important: Some vehicles may have been retrofitted with the later flywheel during servicing.
