

## Replacement of PCP2220 with PCP1872.

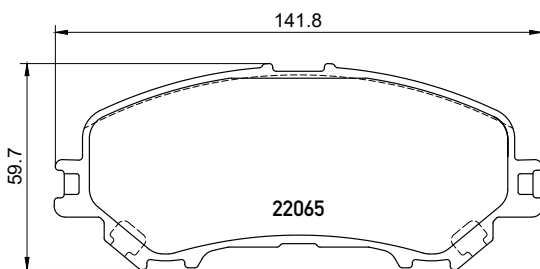

Textar will harmonise the part numbers PCP2220 and PCP1872 and will only keep PCP1872.

This harmonisation goes along with a replacement that was also implemented in the OES.

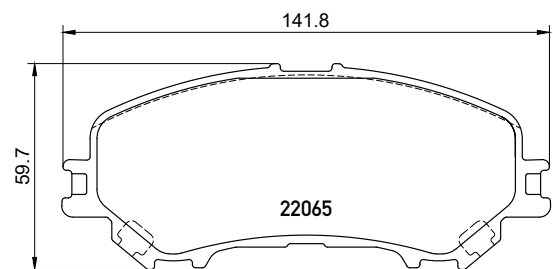

Given the identical outer dimensions of the brake pads we can ensure seamless assembly and operation.

The difference between PCP1872 and PCP2220 is that PCP1872 is slightly thinner.
