Quick help for article number search

Input of article number

- Enter at least 3 initial characters of an article number. Blanks, points and similar characters need not be indicated.
- You may search by OE reference numbers, current or old KS article numbers.

Restriction by type

- Select the required type from the list. This restriction speeds up the search.

Start of search

- Press the SEARCH key.

Search for „Types / Materials“ 2

Search by type / material

Designation	corresponds to	for shaft diameter	Features
Bush P10	Ref. P10	2 - 30	Maintenance-free, corrosion resistant, with steel back, corrosion protection (D)
Bush P10 (P11)	Ref. P10 (P11)	4 - 100	Maintenance-free, corrosion resistant, with bronze back
