

HEAVY DUTY

ENGINE PARTS FOR PACCAR MX 13

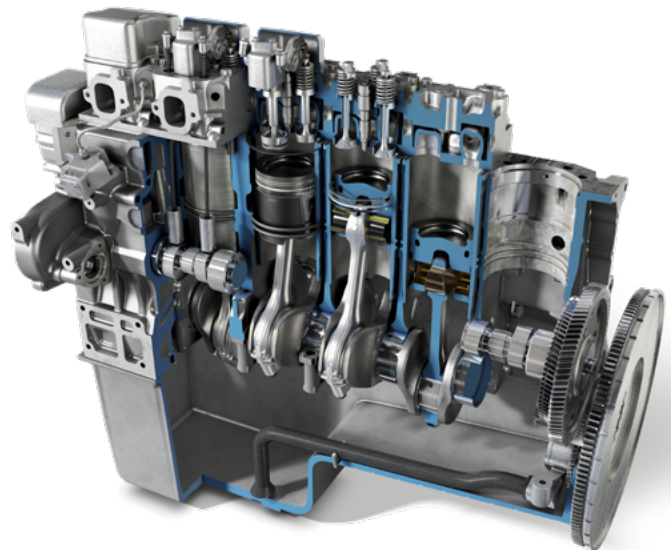

The Motorservice Group is the sales organization for the worldwide aftermarket activities of Rheinmetall. We are a leading supplier of engine components for the independent aftermarket. Through premium brands Kolbenschmidt, Pierburg, TRW Engine Components, and BF, Motorservice offers its customers a wide and comprehensive range of top-quality products from a single source.

CROSS-BRAND OFFER

Besides spare parts for Paccar MX 13 the comprehensive product range covers engines from Cummins, Caterpillar, Daimler, Detroit Diesel, MAN / International, Navistar, Volvo and others.

RELIABLE PERFORMANCE

Our product range provides engine spare parts for heavy duty vehicles, agricultural, forestry and communal vehicles, construction machines, traction units as well as stationary engines.

As a specialist in trading with engine parts, with OE group affiliation and comprehensive core competence within the Rheinmetall Group, we ensure growth for us and our business partners.
