**MOTORSERVICE –
RANGE OF SPARE PARTS FOR DIFFERENT
CHINESE VEHICLE BRANDS**

TAKING RESPONSIBILITY IN A CHANGING WORLD

RHEINMETALL

INNOVATION AND QUALITY – WORLDWIDE

MS Motorservice International GmbH is the sales organisation for the global aftermarket activities of Rheinmetall. We bring the extensive expertise of the renowned brands Kolbenschmidt, Pierburg, TRW Engine Components and NDC to the independent aftermarket, and can now also offer an extensive range of spare parts for Chinese vehicle manufacturers.

With our first-rate expertise in OE production in China, we are an expert and reliable partner for these dynamically growing brands, which are also becoming increasingly important players outside Asia. We understand the specific requirements of these up-and-coming manufacturers and provide tailored solutions that meet the highest quality standards.

BENEFIT FROM OUR STRENGTHS

- First-rate OE expertise: profit from our decades of experience and extensive expertise as a leading OE supplier.
- Global presence: our comprehensive network and local OE footprint in Asia ensure fast and reliable deliveries.

FORWARD-LOOKING SOLUTIONS

We are proud to be able to offer you products that not only meet today's requirements, but also look to the future. Our new parts for other brands are already under development and will be available shortly, ensuring you benefit from the best possible supply of parts at all times and can rely on Motorservice's quality and reliability.

YOUR PARTNER FOR SUCCESS

Take advantage of MS Motorservice International GmbH's expertise. Working hand in hand with you, we will shape the future of the aftermarket with innovative products, comprehensive service and a strong partnership.

We provide a comprehensive product portfolio covering a wide range of engines – some examples of our spare parts for the aftermarket are listed below:
