

# 2-STROKE

## SEMI-SYNTHETIC ENGINE OIL

1 LITRE

VOL145

### PRODUCT SPECIFICATION

#### Description

**Premium synthetic boosted two-stroke engine oil, combining high quality mineral oils with the latest performance additives.**

Recommended for all two stroke engines, whether premix or injector, where and oil of this specification is demanded. Ideal for engines used for high mileage or start-stop duties, where reliability is paramount.

- High level of film strength, anti-wear performance
- Provides protection to main big end bearings, gudgeon pins, rings and bores, therefore prolonging engine life
- Clean burning and virtually eliminates the need for maintenance of power valves and exhaust ports
- Provides all season reliability for modern two-stroke engines of all capacities

#### Performance Levels

JASO FD

API TC

ISO-L-EGD

Physical Characteristics	
Kinematic Viscosity at 100°C, cSt.	8.81
Kinematic Viscosity at 40°C, cSt.	53.0
Viscosity Index	144
Flash Point (Closed), °C	109
Density at 15.6°C	0.86
Appearance	Red
