

# 2-STROKE

## SYNTHETIC ENGINE OIL

1 LITRE

VOL144

## PRODUCT SPECIFICATION

### Description

**Premium synthetic two-stroke engine oil developed from experience gained in motorcycle racing.**

Recommended for engines fitted with an oil injector system and has been specially formulated to maintain the correct lubricant metering viscosity in all conditions.

- High level of film strength, anti-wear performance
- Provides protection to main big end bearings, gudgeon pins, rings and bores, therefore prolonging component longevity
- Prevents engine lock up in moments of temporary overheating
- Prevents deposit formation in ports and on spark plugs

### Performance Levels

JASO FD

API TC

Physical Characteristics	
Kinematic Viscosity at 100°C, cSt.	10.25
Kinematic Viscosity at 40°C, cSt.	66.75
Viscosity Index	141
Flash Point (Closed), °C	105
Density at 15.6°C	0.865
Appearance	Red
