NOW AVAILABLE FITTING KIT LVSK3001SK

FOR LAND ROVER DISCOVERY III, IV, RANGE ROVER SPORT

ALL MOTAQUIP
STEERING PARTS ARE
MANUFACTURED IN
EUROPE

Motaquip's fitting kit **LVSK3001SK** allows for easier replacement of lower Land Rover suspension arms.

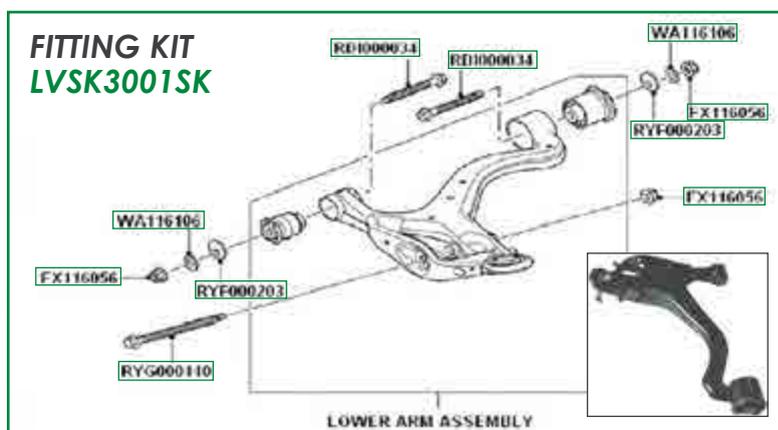

Introducing **LVSK3001SK** lower suspension arm fitting kit for Discovery III, IV and Range Rover Sport 2005-12.

A common fault on these vehicles is the lower wishbone bush bolts often become corroded making them difficult to remove. This makes lower wishbones (**LVSA1224**

& **LVSA1225**, or **LVSA1397** & **LVSA1398**) difficult to replace. The bolts are usually destroyed when removed.

Motaquip have created **LVSK3001SK** to solve this problem as our kit has all the necessary ancillary parts to provide a new fitting kit with the new Wishbones.

Discovery III, IV
Range Rover Sport 2005-13

LVSK3001SK Kit Contains:
