PRODUCT SPECIFICATION

Description

Fuel efficient engine oil

ECO VB 0W-20 is a top-tier fully synthetic engine oil designed to meet the stringent requirements of OEMs, especially Volkswagen Audi Group, that mandate low viscosity engine oils. This product blends synthetic base fluids and advanced additives to create a well-rounded lubricant that minimizes friction, safeguards components, and enhances fuel efficiency.

ECO VB 0W-20 provides the following benefits:

- Contributes to overall fuel efficiency
- Circulates rapidly from cold
- Strong oil film protects at high temperatures and under arduous work loads
- Ensures a high level of component cleanliness and operational efficiency

Applications:

This product is advised for engines that require a lubricant with this specific viscosity and performance level, as detailed in their respective manuals or handbooks.

Performance Levels

Approved under VW Standard 508 00 and VW Standard 509 00

VW TL 52577

Porsche C20

Physical Characteristics	
Viscosity @ 100°C, cSt.	7.81
Viscosity @ 40°C, cSt.	38.97
Viscosity Index	176
Density at 15.5°C	0.837
Flash Point (Closed), °C	210
TBN, mg/KOH/g	8.30
Pour Point, °C	-57
