

# ATF DX14

1 LITRE	5 LITRE
VOL925	VOL926

## PRODUCT SPECIFICATION

### Description

#### Specialised transmission fluid

ATF DX14 represents an advanced automatic transmission fluid, primarily engineered for utilization in Mercedes-Benz 7-speed RWD (Rear Wheel Drive) automatic gearboxes, including all AMG models. This product guarantees smooth and responsive gearshifts across a range of loads and operating conditions.

#### Applications:

Ideal for the latest MB 7-speed RWD automatic gearboxes (NAG 2), this product is the exclusive transmission fluid recommended for NAG2V Sport transmissions and 7GTronic models like W7A 700 / NAG2. It's also suitable for 5-speed models equipped with a controlled torque converter lockup clutch in certain Chrysler vehicles with model designations: 722.6 / W5A 580 / NAG1. **Note:** *That it is not intended for use in 722.9, NAG2FE applications or where MB236.15 is specified.*

#### Benefits:

- Ensures positive and continuous frictional control
- Smooth vibration free operation
- High level of thermal and oxidative stability
- Excellent shear stability characteristics that maintain system pressure
- Reduced fluid loss through due to low volatility

### Performance Levels

MB 236.1/6/7/9/10/12

Proven performance in the latest 6HP & 8HP speed where the following has been specified:

BMW Part No. 8322 2152426

Chrysler Part No. 68157995AA

Jaguar Part No. 02JDE 26444

Land Rover Part No. LR023288

VW Part No. G 055 005 A1/A2/A6, VW Part No. G 060 162 A2, VW TL 52533 (G 052 533)

Lifeguard Fluid 8 - 6HP19X - for Audi Q7

### Approvals

MB-Approval 236.14

Physical Characteristics	
Appearance	Red
Viscosity @ 100°C, cSt.	6.4
Viscosity @ 40°C, cSt.	29.7
Density at 15.6°C	0.848
Flash Point (Open), °C	180 min

Note: Demonstrated 'no harm in use' in applications where ATF 3403 is required.

TDS ATF DX14 – 15.10.18 Issue 6
