## GLASS CLEANER - AEROSOL 525ML

P/N 19421481

Window Tint  
SAFE

### PRODUCT INFORMATION

ACDelco Glass Cleaner is specially formulated for cleaning windows on automobiles, trucks, airplanes, caravans and boats. It can also double as a household window and glass cleaner. This product is a non-streaking cleaner that can quickly dissolve and remove film haze on both interior and exterior glass and is safe for use on all vehicles. It works well on interior chemical film, smoke film, and general windshield haze.

### FEATURES & BENEFITS

- A Non-streaking formula dissolves film haze
- Can be safely used on both interior and exterior glass
- Removes chemical film, smoke film, and general windshield haze
- Specially designed to quickly and effectively remove dirt, grime, cigarette smoke, fingerprints, and other contaminants from glass surfaces
- Versatile glass cleaner created for use on automotive windows, but can also be used as a household window and glass cleaner
- Quality formula is foamy and non-streaking
- Safe for use on all tinted windows

### GOOD MAINTENANCE PRACTICES

#### Interior

- Always use the proper cleaning products for each specific material within your vehicle interior (leather, cloth, vinyl, carpet, etc.)
- Make sure to pretest the material to be cleaned before using a particular product
- Avoid excessive use of water when cleaning the vehicle's interior, as it can cause a lingering musty smell and mildew buildup

#### Exterior:

- When washing or cleaning your vehicle or vehicle part(s), do so in a shaded area. If the vehicle or part is hot, soap and other products will dry too quickly, staining the surface and requiring another wash
- Pre-soak your vehicle or vehicle part(s) to remove heavy contaminants
- Always rinse your vehicle or vehicle part(s) thoroughly
- Use a different mitt/sponge/cloth/etc. to clean each part of the vehicle (exterior body, wheels, rims, etc.)

### HEALTH & SAFETY

Material Safety Data Sheets (MSDS) are available for download at [www.acdelco.com.au](http://www.acdelco.com.au) This product should not be used for purposes other than its intended use.
