WATER PUMP INSTALLATION GUIDE

NWP1418

OE: 55485156 / 55501353 / 1334231

NWP1418 doesn't require the cable that is connected to the original pump. NAPA supplies an electronic switch that must be installed onto that cable.

If this operation is not carried out, the Control Unit will indicate an error.

OE Water Pump

NAPA Water Pump + Switch

Step-by-step assembly

1. Disconnect the electrical switch of the original water pump (OE).
2. Connect the cable to the supplied switch (Fig. 1).
3. To avoid switch displacement, fix it to the pipe (Fig. 2) with a zip tie.
