| <b>Intro</b>              | Thanks to its very low surface tension graphite formula, this super releasing spray penetrates deeply to erode rust, leaving a protective graphite film. Facilitates future removal. |
| <b>Product highlight</b>  | Long-term protection                                                                                                                                                                 |
| <b>Specifications</b>     | Releases and protects, minimizes friction and stops rust.                                                                                                                            |
