

WHEEL MOUNTING GUIDE SET M12-M14

Reference : OM 9320

Item name	WHEEL MOUNTING GUIDE SET M12-M14
EAN code	3700461491658
Text	Guides specially designed to facilitate and accelerate the centering / assembly of the wheels on the hub. Particularly suitable for VAG hubs, where the disc has no locking / centering screws and may rotate when the wheel is put in place; making it difficult to insert the bolts. The entire rim weight rests on the guide, reducing the risk of musculoskeletal disorders (MSDs) and leaving both hands free for the operator to insert and tighten the bolts.
Product highlight	Prevents wheel falls, prevents MSD
Specifications	Insert without screwing Equipped with a plastic ring, they do not damage the threads in the hubs. For wheels with M12 and M14 bolts.
Contents	Contents: - magnetic carrier - M12 guide - guide M14 - 2 spare M12 rings - 2 spare M14 rings
Options	Insert without screwing

Warranty period No warranty (consumable)
