Multi Superpower C-3 5W30

Premium HC-Synthetic smooth-running Engine oil

1. APPLICATION

Multi Superpower C-3 5W30 is a premium HC-Synthetic smooth-running engine oil for passenger cars, vans and SUVs from various premium manufacturers such as BMW, Mercedes Benz, Opel and the VW Group that are equipped with exhaust Aftertreatment Systems (exceptions are the in-line 5-cylinder and V10 TDI-VW engines built up to 2007, which are to be filled with an oil according to VW standard 506 01). The service life of the exhaust Aftertreatment Systems is extended due to the reduced formation of ash. Extended oil change intervals according to the manufacturer's instructions are possible.

2. YOUR BENEFIT

- Extremely stable and excellent viscosity behavior.
- Excellent cold start behavior, very shear stable lubricating film.
- Reduction of fuel consumption under all operating conditions.
- Reduces deposits in the engine and exhaust gas turbocharger to a minimum.
- Excellent protection against wear and corrosion, even under continuous stress.

3. TECHNICAL SPECIFICATIONS

Can be used with:

- ACEA C3
- API SP
- BMW Longlife-04
- GM dexos2™
- Mercedes Benz 229.52/229.51/229.31
